

# Curnow School Online Safety Bulletin

Summer Term 2024

This term we have been delighted to invite Chris from Mencap in to upper school to teach some of our students all about online safety. We offered our school as part of a pilot scheme for new materials being produced by the charity Mencap. Whilst we found some of the way information was offered a little confusing overall this was a great opportunity for our students to learn about online safety in a different way with a new person.

# Further advice...

E-Safety Star points to remember each time you access the internet on any device

## Be SMART to be an e-safe STAR

**S**ecurity: Do not give out your personal details or passwords

**T**ell someone: If you do not like what you see, hear or read

**A**sk for help: Everyone makes mistakes

**R**emember to be safe!

Don't forget our School website has information and links to websites, previous newsletters and lots more!
