We are seeking to recruit an exceptional, inspirational, and innovative classroom teacher. The successful candidate will work with the school leadership team to drive outstanding provision and to provide students with an exceptional education and holistic support. You will need to possess the desire and motivation to make a difference to our students' lives. We have high aspirations for all our children and young people and believe that all of our students are capable of making outstanding progress.

- We would love to hear from teachers with experience of special education with QTS and a proven track record.
- Knowledge of the primary curriculum would be an advantage.
- You should have a real desire and motivation to make a difference to the lives of students.
- You should believe that all children are capable of making outstanding progress.
- You should have experience of working with children who have SEN in either a mainstream or special school provision.

We value our employees and offer excellent training and support along with an Employee Assistance Programme and other well-being benefits.

We are committed to safeguarding children and the successful applicant will be required to undertake an enhanced Disclosure and Barring Service (DBS) check.
